The image features a vibrant red background with a subtle pattern of small, golden-yellow stars or dust particles. Overlaid on this background are several horizontal, stylized circuit board traces in a light yellow or gold color. These traces consist of parallel lines with small circular nodes at various points, creating a sense of digital connectivity. In the center of the image, the title '奥特英雄积木人对决系列' is prominently displayed. The text is rendered in a bold, blocky, golden-yellow font with a thick white outline and a slight drop shadow, giving it a three-dimensional, metallic appearance. The characters are arranged in two lines: '奥特英雄积木人' on the top line and '对决系列' on the bottom line.
